

Pre-owned Aster models – 1 October 2016

The following Aster models from the back catalogue are offered with full Aster Guarantee. Further details and photos are available on request.

Aster GWR Castle class.

This is a kit built example of this 4 cylinder locomotive in near mint condition. It has been thoroughly checked over by David Stick and test run only. With books etc and wooden carry case. Photos coming soon.

£4450.00

Peco Gauge 1 Track.

SL-800 Flexitrack 12-yard unopened pack (3 available)

Sold

SL-E896 10ft. radius L/H Turnout, Electrofrog (3 available)

£75.00 each

SL-E896 10ft. radius L/H Turnout, Electrofrog (3 available)

£75.00 each

Simply the best track available. The turnouts are truly superb. Free rail joiners with every track purchase.

5 car Brighton Belle set by Golden Age Models

Reserved

Aster SNCF 150x

Quite a rarity since only 50 were made of the alternative to rather brutal black/red DB BR44 2-10-0 version. This model has been thoroughly overhauled by Peter Allott and when fully run-in would make a very powerful addition to anyone's loco shed.

£3,350.00

KPEV P8

Sold

More pre-owned models coming soon including an A4 Silver Link. Also a PLM 231A. The BR Blue Duchess is undergoing a full checkover with David Stick for availability later this year.

Other Aster models can sometimes be sourced. Please ask for anything you would particularly like to consider. Prices include UK shipping. Shipments outside UK by DHL / FedEx at cost.

We ship pre-owned models to all Worldwide locations. **Prices marked with an asterisk (*) contain a VAT element which is not chargeable to customers outside the EU.** Please ask for details
