

We have some truly excellent locos from the back catalogue available for immediate delivery. With the Aster Hobby Co Inc facing an uncertain future, attention is being focussed again on the 'glory days' and the stunning models created by designers who truly understood quality and fidelity to prototype.

Aster GWR Castle class Kingswear Castle

Sold

Aster GWR King George V

Recently overhauled by David Stick and in nice used condition. Originally from the Robert Head collection and a kit-built example probably by David Baker. A very nice example.

£3,250.00

Aster BR 5MT (2019) in Black lined or Green lined livery

These are the most recent iteration of the 5MT kit built by experienced builders and all the problems with defective parts have been either replaced or resolved. Both track tested only. Either livery
